FOR IMMEDIATE RELEASE

Planet Home Lending Opens New Branch in Albuquerque, New Mexico

New branch to provide diverse home loans to meet the needs of the city's unique population

ALBUQUERQUE, N.M. – Sept. 21, 2021 - [Planet Home Lending, LLC](#) has opened a new branch (NMLS# 2228169) at 500 Marquette Ave., N.W. Suite 1200, Office 1277, Albuquerque. The office will be run by Branch Manager Chris Gonzales (NMLS# 403871).

“Planet Home Lending offers several loan products for the diverse financial needs of people in the area, including FHA, VA, Jumbo, renovation and conventional loans,” Gonzales said. “Fannie Mae and Freddie Mac conventional loans are popular in Albuquerque. Home sellers sometimes prefer them, so buyers who use them may have the upper hand in today’s market where there are multiple offers on one home.”

Gonzales plans to quickly grow Planet Home Lending in the New Mexico/West Texas area adding 15 employees around Albuquerque, Santa Fe and El Paso. “I’m excited to hire employees full of energy and passion for creating great customer experiences,” Gonzales said.

Gonzales was born and raised between El Paso and Albuquerque and has 15 years of mortgage industry experience, giving him insight into the home loan needs of homebuyers and homeowners in the Southwest.

Along with local expertise, Planet Home Lending offers a personal digital mortgage assistant, which consumers can use to apply for a home loan via their mobile device from anywhere. Borrowers and real estate agents (with the borrowers’ permission) can track loan progress 24/7, reach out to ask their loan officer questions and submit paperwork electronically, to reduce reliance on paper.

Another way Planet Home Lending supports a healthy environment is through a tree-planting partnership with the National Forest Foundation. In 2021, the company has sponsored the planting of up to 100,000 trees to help restore national forests.
